CORPORATE OVERVIEW

Reliable infrastructure solutions for institutions, industry and commerce

Cladding Investments Limited is a **Zambian-owned** construction and infrastructure solutions company specializing in the construction, rehabilitation, modernization and maintenance of *institutional, commercial, educational and industrial facilities*.

The company provides integrated construction services encompassing civil works, laboratory infrastructure, ICT facilities, electrical systems, plumbing systems, mechanical installations, gas line installations, water reticulation and facility modernization. The company evolved from INCH Modern Technology, established in 2012, and was rebranded as Cladding Investments Limited as the scope of work expanded.

CLADDING

A dependable Zambian contractor delivering practical, durable and cost-effective construction and infrastructure solutions.

Integrated delivery across construction, rehabilitation, mechanical, electrical, ICT and specialized laboratory infrastructure.

Integrated delivery across construction, rehabilitation, mechanical, electrical, ICT and specialized laboratory infrastructure.

**CORPORATE
POSITIONING**

**CAPABILITY
STATEMENT**

**CLIENT
FOCUS**

Our Vision

To be a leading provider of innovative construction and infrastructure solutions in Zambia, recognized for quality, reliability, integrity and sustainable development.

Our Mission

To deliver modern, durable and practical infrastructure solutions that exceed client expectations while promoting safety, innovation and environmental responsibility.

Our Objectives

Integrity • Excellence • Innovation •
Safety • Accountability • Reliability •
Sustainability

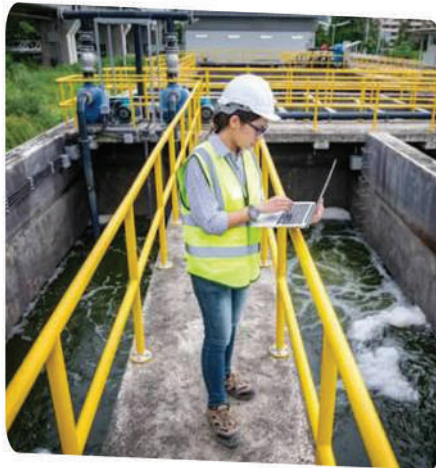

Strategic Positioning

A trusted Zambian infrastructure partner delivering practical, durable and cost-effective construction solutions for institutional, commercial and industrial clients.

Core Services

CONSTRUCTION AND REHABILITATION OF **INFRASTRUCTURE**

SERVICE CATEGORIES

PROJECT DELIVERY METHODOLOGY

Our proven process for successful project delivery

01 Consultation

Clarify client needs, inspect the site, define scope and confirm expected outcomes

Prepare the work approach, material requirements, timelines and resource plan.

02 Planning & Design

03 Execution

Deploy the technical team, manage site works, supervise workmanship and communicate progress.

Inspect works, test installations, verify safety and correct defects before handover.

04 Quality Assurance

05

Handover & Support

Commission completed works, obtain approval, provide documentation and support maintenance needs.

HEALTH, SAFETY & ENVIRONMENT

Cladding Investments Limited is committed to maintaining safe, orderly and environmentally responsible worksites. The company's approach emphasizes practical safety controls, supervision and responsible execution throughout the project cycle.

ZERO-HARM ORIENTATION

Project teams are expected to work in a manner that prevents avoidable injury and protects personnel, clients and facility users.

PPE AND SITE CONTROLS

Use of personal protective equipment, controlled access, safe storage and orderly worksite practices.

ENVIRONMENTAL RESPONSIBILITY

Waste control, clean site management and responsible handling of materials and utilities

SUPERVISION

Routine supervision to monitor workmanship, safety practice, progress and correction of emerging risks.

QUALITY ASSURANCE

Quality assurance is embedded in planning, *materials selection, workmanship supervision, testing and handover*. The objective is to deliver functional, durable and maintainable infrastructure that satisfies client specifications.

MATERIAL AND EQUIPMENT VERIFICATION

02. WORKMANSHIP INSPECTION DURING EXECUTION

03. TESTING AND COMMISSIONING OF INSTALLATIONS

04. DEFECT IDENTIFICATION AND CORRECTION

05. CLIENT WALKTHROUGHS AND ACCEPTANCE.

06. POST-COMPLETION SUPPORT AND MAINTENANCE GUIDANCE

WHY CHOOSE CLADDING

Proven Project Experience

Assignments across schools, colleges, hospitality and industrial settings demonstrate practical delivery capability.

Integrated Technical Capacity

Civil works, laboratory infrastructure, ICT systems, plumbing, electrical and mechanical services are delivered under one infrastructure profile.

Regulatory Compliance

The company has formal PACRA incorporation, ZRA tax clearance and NCC registration evidence.

Quality Commitment

The profile emphasizes workmanship, durability, inspection, commissioning and client satisfaction.

Safety Culture

Site safety, PPE use, hazard awareness and responsible execution are integrated into project delivery.

Client-Focused Approach

The company's model supports consultation, scope clarity, responsive communication and handover support.
